

Performance teq[®]
Protection Package

P.teq[®]

Our latest package of solutions offers unprecedented protection for your next generation of sports players.
No match is going to be without contact, but that doesn't mean we shouldn't protect ourselves.

That is why we have analysed the market and collaborated with our partners to produce

THE MOST ADVANCED SCHOOL SPORT SAFETY PACK IN THE WORLD.

Performance teq®

Protection Package

N-PRO

IMPACT GUMSHIELDS

- ▶ Using cutting-edge Defentex™ impact management technology, N-Pro is designed to reduce the G-Force energy transferred to a player's head during impact, one of the major factors in sports-induced brain injury, by up to 75%.
- ▶ The N-Pro headguard is scientifically proven to provide significant impact protection. In World Rugby's new five-year global law trial for headgear, designed to help reduce head injury risk, N-Pro was the first headguard approved so it can be used in competitive games at all levels globally.

- ▶ Using state-of-the-art dental imaging technology, Impact takes a 3D scan of your mouth to create a custom fit gumshield by running it through their patented software.
- ▶ AIT (Athlone Institute of Technology) CSID in accordance with the American Dental Association standards carried out impact absorption testing. The results showed that Impact gumshields had a minimum of 15% more impact absorption versus other leading suppliers and went as high as 26% in some cases.
- ▶ Shortlisted for **Best Injury Prevention or Rehabilitation Technology Award** - 2021 Sports Technology Awards.

PTEQ PROTECTION PACK

P.teq®

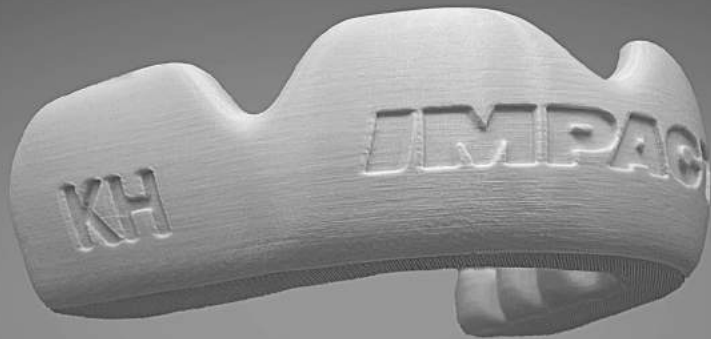

Performance teq® 

Merchant Taylors'
School

- ▶ All incoming year 7 boys will be provided with an N-Pro headguard for training and matches by the school.
- ▶ All boys, staff and members of the Merchant Taylors' family granted a special discount on N-Pro headguards.
- ▶ The whole school will gain access to a unique code for Impact Gumshields at an exclusive price.

- ▶ "I am delighted to have partnered with Performance teq to offer all year 7 pupils the Protection Package. We take pupil welfare seriously. This is reflected by providing them with protective equipment that is a leader in its field."

Sam Cooke

Director of Sport | Merchant Taylors'

Performance teq® 

Merchant Taylors'
School

- "Merchants has a long and distinguished history on the rugby field with some famous names having begun their distinguished journeys at the school. While the sport continues to develop and adjust, our commitment to it remains the same. It is therefore a real pleasure to have been chosen as a partner by N-Pro and to be working with Performance Teq. There is mutual recognition of how we can support each other and, most importantly, how we can provide a safer environment in which our pupils can enjoy this great sport."

David Wickes

Headmaster | Merchant Taylors'
